

Thank you heaps

Mrs Waterland

Raukawa falls camp 2011

THANK YOU

Thank you for the wonderful things you have done for the Tararua team this year. I have thoroughly enjoyed doing the activities at camp even if they were difficult. You pushed me all the way and achieve a higher standard in everything I do whether it is high rope or water slide.

THANK YOU

You have taught me to give everything a go even if it looks difficult. You also taught me to encourage others in times when they are finding it difficult.

I really enjoyed having you at camp. Camp was interesting everyday we were there and you helped to do that. You gave things a go and that inspired me to do it to.

THANK YOU

You and all the teachers and parents did a very good job at keeping us settled but giving us a really fun time. You are a very nice teacher!
Thank you Mrs Waterland!

Thanks heaps
Gemma Savill
